Introduction

Once again, the time has come to join nearly 55,000 pathfinders from around the world for International Pathfinder Camporee. This time it will be at Gillette, Wyoming. It is said that you are not an official pathfinder until you have experienced the comradery and impact of ministry driven activities this camporee has to offer. This camporee is considered by many to be the camporee of camporees. This is an exciting time for our young people, as well as the staff and family who will be attending this grand event.

Due to many conditions such as distance and the duration of time anticipated on the campgrounds, this document has been prepared to guide you through critical stages of the planning process. It is strongly advised that you review this document. It serves to answer some of your questions that center on proper and effective preparation for this camporee. Unlike our local camporees, this will require more attention to the details as it pertains to our pathfinders.

We are encouraging each of you, your pathfinders, family members, and friends to attend this grand event that takes place only once every five years. The experience will be one to remember for many years to come, until Jesus returns.

Promotional Information

The leadership of the Northeastern Conference Pathfinders has set a goal for attendance at the International Pathfinder Camporee. Our goal is to have at least 3,000 pathfinders, staff, family, and friend alike representing our conference. We are very confident by the grace of God that we can reach this goal. We are a strong conference with strong leaders and dedicated staff and church members. We all love the pathfinder ministry and clearly understand the lasting effect it can have on our youth. Therefore, we are encouraging you to join us in making this goal a reality. We can do it.

To help in making this a reality, there are a number of resources available to promote the camporee in our local congregations.

- Official Camporee website: Camporee.org
- Promotional videos
- Flyers
- Twitter
- Facebook
- iPhone & iPad downloadable applications
- Newsletters (must subscribe via the camporee website)

Registration Information

Each person planning to camp on the campgrounds must pay the registration fee.

General Admission (*13+), patch included: **US\$ 225**

Junior (ages *9-12), patch included: **US\$ 225**

Staff Child (ages *4-8), patch included: **US\$ 125**

Staff Baby (ages *0-3), no patch: **US\$ 0**

*Ticket holder's age on August 5 , 2024

This fee includes access to all facilities and activities on the campgrounds.

You will need to purchase a North American Division ticket. **NAD tickets must be purchased through a club director in order to ensure that each attendee is approved by their club director and has a background check.** If you are a club director, please visit <https://www.camporee.org/nad-registration/> to create an account. Please **DO NOT USE** a personal email address to register; instead use an official club email address.

Day Passes:

If you live in the United States or Canada, you may purchase single day passes through your club account to ensure that each day pass holder is approved by the club director and has a background check. Guests who have purchased Day Passes must find accommodations outside of the Camporee grounds; no overnight camping will be permitted. A limited number of Day Passes will go on sale beginning April 1, 2024.

Single Day Pass: **US\$ 75**

Day pass holders may park in the North Parking Lot.

Day Pass hours: 6am – Midnight

NOTICE:

Ticket Refunds & Transfers

All Camporee tickets are non-refundable. CYE and the International Camporee do not transfer or resell tickets. However, Pathfinders and staff can transfer their tickets by selling them to another person or club. Resales are the responsibility of each ticket holder.

Camporee Ticket RESALE Guidelines

IMPORTANT NOTICE

The International Pathfinder Camporee is NOT responsible NOR does it encourage the purchase of resale tickets. We will not reimburse or validate resale tickets.

If after reading this notice you decide to buy or sell a resale ticket under your own responsibility and risk, please consider these principles:

1. Never sell your ticket to a person that is not a member of a Pathfinder Club or a Seventh-day Adventist Church.
2. Only buy resale tickets from people you know and trust, that bought their tickets from the official website (www.camporee.org).
 - Camporee organizers cannot confirm if a resale ticket is valid or fake before arriving at the Camporee.
3. Buy resale tickets within your club/group in order to respect the camping space already assigned to your club/group.
4. If point 3 is not possible, attempt to buy resale tickets within your Conference first, then your Union.
 - Local Club Directors, Area Coordinators, and Conference Youth Departments could be a reliable source of information about resale tickets available, though they are NOT responsible for these transactions.
5. We strongly discourage the buying of resale tickets from another Union/Country.
6. **If you are a member of a club in the North American Division (NAD),** never buy International tickets because of camping space restrictions.
7. **If you are a member of a club outside the North American Division,** never buy NAD tickets because of camping space restrictions.
8. The original ticket information will not be updated in the official registration system, but the new ticket holder will be able to use it at the Camporee if it is authentic.
9. Never buy resale tickets at the Camporee gates, as these may be tickets previously rejected at the Registration office.
10. Only buy resale tickets at the original price - \$225 General Admission (ages 9+), \$125 Staff Child (ages 4-8). Based on age as of August 12, 2024.

In the case of a global pandemic, the International Camporee will be postponed and purchased tickets will be valid for the next Camporee but not refunded.

Please keep in mind that each registered person will be identified more then likely by a special wristband. If this is the case, ***register EACH person, including your support staff personnel.***

We encourage ALL clubs to make sure that you print out your tickets prior to arriving in Gillette.

Arriving at Camporee and Leaving for Home

Due to the complexity of the campground, it is advised that all directors inform their area coordinator of their arrival time. It is imperative that this information be given in a timely fashion. There are two arrival or load-in-day options:

- Monday, August 5 (8:00 am until midnight)
- Tuesday, August 6 (8:00 am until 7:30 pm) Gates close at 7:30 pm

Campgrounds do not open before Monday, August 5, 8:00am

- About 32k to 33k people come in on Monday. About 15k to 18k, sometimes up to 20k people on Tuesday. All the activities start at noon on Tuesday. Opening night for the Main Stage is Tuesday night, August 6, 2024, 7:30pm. Saturday night is the final night. There is nothing going on Monday night. You can come in on Monday if you desire. The gates will open at 7am or so. If you are in leadership, and you have a special pass as a Conference or Union Youth Director, you can come in a week before to start setting everything up. Do not have kids arrive early.

When can we leave for home?

You can leave at 11:00 pm Saturday night, August 10, 2024, when the gates are open to exit but may also leave Sunday morning, August 11, 2024.

- Some drivers sleep Saturday during the day and drive out about midnight Saturday night. Their riders sleep through the night on the way home.
- **Only Clubs leaving Saturday night after the evening program** may bring their buses and vans into their campsites at 7:30pm. The gate will close again at 9:00pm. At 11:00pm, all gates will be opened to anyone wanting to exit the Camporee grounds.
- Many other clubs stay camping Saturday night and enjoy the Saturday night special sales by exhibitors. These special sales include Camporee hats, shirts, pins, etc.
- Most clubs plan to leave any time before 12 noon Sunday, August 11, 2024.
- The campgrounds must be vacated by 2:00pm Sunday, August 11, 2024.

Staff from our conference will be present to guide each club to their campsite. For logistical and administrative reasons, we plan to camp by areas. As a result, all club directors and area coordinators must do their part to ensure a smooth operation. Once you arrive, you must ***make your way to the registration area*** where you will pick up your registration packet for each registered person within your club.

Traffic will be very heavy for the first few days of camporee all across the campgrounds. All directors are asked to make sure that ALL pathfinders are accompanied by a responsible staff member at ALL times.

Fundraising Efforts

Although many are looking forward to joining thousands of pathfinders in Gillette, there is the financial component that must be taken into serious consideration. In an effort to defray most, if not all out of pocket cost on behalf of our pathfinders, directors and their staff are encouraged to think 'out of the box' by seeking various means to support your pathfinders.

Pathfinder Parents Association (PPA)

The Pathfinder Parents Association (PPA) is often the driving force in efforts geared towards fundraising ideas for the local club. PPA members understand the expenses associated with the pathfinder ministry. This is one of the many reasons why some of your most effective fundraisers are members from your PPA.

Enthusiastic parents and youth supporters alike can be tasked with developing effective ideas that can generate funds. Since they are not limited to resources from within the church alone, their network can benefit the club at large. As such, it is strongly advised that their support is sought after as soon as possible.

Donations from Church Members

The church members at large also serve as a means to gather support for fundraising efforts. Some of your church members may not have the time to dedicate themselves to the PPA, but they do share the same desire for the pathfinder ministry of their church to prosper and progress. Reach out to these church members, expressing the needs of the club for camporee.

Area Businesses

Some Directors are privileged to have local businesses located in the vicinity of the Pathfinder club. Clubs that do not have this option may choose to visit the business district closest to the club or church.

Most business owners may not know much, if anything about the Pathfinder club. This would be a great opportunity to visit their place of business with some Pathfinders and literature about the club, along with information about the camporee and the club's desire to attend. Some business owners may not give financial assistance, but are willing to donate needed equipment. You will never know until you ask!

Sponsorships

Sponsorships and donation are effective means used to offset some of the club expenses. As the director, it is your duty to gather your list of items that the club needs and be able to present it when needed. Once items are purchased, a public check off sheet can be displayed in the bulletin board in your church that clearly outlines the club's financial goals.

Equipment – individuals can sponsor or donate funds towards a piece of camping equipment such as tents, a camping stove, food items, or anything that will be used by the club.

Registration – individuals can sponsor or donate funds towards a pathfinder's registration cost. This approach can help parents tremendously who may have more than one child in the club.

Transportation - individuals can sponsor or donate funds towards transportation cost, which in many cases is the largest expense a club will incur.

Fundraising Ideas

Although a church may be in a financial position to provide funding for any particular event, relying on these funds without works may lead Pathfinders not to appreciate the end results; for the simple fact that they contributed minimal labor. Raising funds requires stern dedication on the part of the Pathfinders; a valuable lesson of life they ought to learn as members of the club.

Listed below are a few of many ideas that can be used to raise funds for the club. Any ideas require work on the part of the club, but the rewards are great if implemented with a determined heart and a sound mind.

- Talent Show
- Movie Night with a Meal (MNM)
- Bake Sale
- Car Wash
- Teen Movers Group
- Sunday Breakfast at the Church
- Fund Raising Banquet
- House Cleaning
- Arts & Craft Sale

Sample Fundraising Letter

Please make good use of the camporee fundraising letter on the next page. This letter can be used to give to family members, church members, co-workers, or individuals in the neighborhood. This letter can also be altered to fit the needs of the club. It may include information about donations towards a pathfinder's transportation or the overall cost as determined by the club.

Sample Layout of a Camporee Fundraising Letter

Dear _____,

This is (the writer's name), and I am writing you about a very important international youth event coming up in Gillette, WY, August 5-11, 2024. The International Pathfinder Camporee taking place is one of the largest church gatherings for youth my age.

55,000 youth and young adults will be coming together from over 100 countries to celebrate God, have fun and fellowship together.

These International Pathfinder Camporees only happen once every five years, and I really want to go, but I need your help.

Would you be able to sponsor me for any number of the 6 days of the "Believe the Promise" Pathfinder Camporee? Each day only costs \$37.50. This includes my campsite, all the daytime activities and the Christ-centered nighttime programs.

If you cannot help me with money, that is okay, but please pray that I can go because I would love to experience this life changing event.

I hope you have a great day!

Love/Sincerely,

(name)

P.S. If you have any questions about the Camporee, feel free to contact me, my club director, or go to the Pathfinder Camporee website at <http://www.camporee.org>.

P.P.S. You will see that I enclosed a self-addressed stamped envelope. Thank you in advance for your help. God bless!

Parent Preparation

It is imperative that the parents of our pathfinders clearly understand the dynamics of what to expect while their children are in our care. In an effort to address this issue, it is recommended that a custom home package be created and given to the parents. This package should include the following items:

- A full itinerary of event from departure to returning home
- Copies of all pertinent forms and paper work
- Emergency numbers for the camporee
- Contact information for area hospitals and emergency services
- Contact information for club staff

Pathfinder Camp Equipment List

It is the responsibility of the club Director or his/her designated staff members to create a camp equipment list to distribute to all parents or guardians well in advance of a campout. This approach will allow parents or guardians enough time to find each of the items and ask questions.

The diagram below details most of the items required by each pathfinder attending a campout. Please note that this list is subjected to modification as deemed fit by the club.

More Parent Information:

Clothing

- Good comfortable shoes are a must. Pack extra shoes in case it rains.
- Bring shower shoes or flip flops to use in the shower houses.
- Pack for all weather conditions. It will get cold at night. Past Camporees have had rain, heat and cold. Pack gloves, rain coats, sunscreen and a large hat to protect from the sun.
- Bring an extra poncho or two to share, and rain boots.
- Buy clothes, towels, & washcloths from a thrift store or Good Will to send with your Pathfinder. If it gets ruined you're not out a bunch of money.
- Be sure to check and make sure your Pathfinder has all their Class A uniform pieces: Shirt, pants, skirt, scarf, slide, socks, black shoes, sash.
- **Day dressing:** Consider using shirts or t-shirts, shorts or light pants. Wear loose, breathable clothing: Lightweight, loose-fitting clothing that breathes well will help your body regulate temperature. Don't forget to cover your head, use sunscreen, and stay hydrated all the time.
- **Night dressing:** For the Nighttime program, in case of low temperatures, consider dressing in layers. The first layer could include long underpants and a long sleeve shirt, both comfortable and dry. Include thick and dry socks, a fleece hat, and gloves. This layer could also work to sleep. Don't forget to bring some blankets to sit on at the nighttime program, but also to cover if needed.

Food & Water

- Plan quick easy lunches so most of your time can be spent in honors and activities. There is so much to do!
- Give your child a backpack with a packed lunch, drink, pen/pencil and at least 2 containers for their pins. One container for pins they want to trade and one for pins they want to keep.
- We ordered string bags with our club name on them, to carry around our lunch, snacks, hand sanitizer, etc. Our leaders were also able to carry small first aid kits in theirs as well.

- Plan simple meals that a kid friendly.
- Bring a water backpack and high calorie snacks for kids for mid-afternoon.
- Use powdered oral re-hydration mix to add to water.
- Bring a reusable water bottle. It will save you money and help reduce the amount of waste from one-time use bottled water.

Club Preparation

It is the responsibility of the club Director or his/her designated staff members to thoroughly inspect all camping equipment and supplies well in advance of the camporee. The proper maintenance of all equipment, such as tents, kitchen supplies, and first aid materials is essential to proper preparation for camp.

We will be away from our comfort zones, at least 1,800 to 2000 miles away. Therefore, it is our duty as leaders to plan accordingly. Do not make assumptions. If you are aware of the conditions of your tents and supplies, please take the time to add these items on your list of items to get before the camporee.

Club Camp Equipment List

The list below partially details the equipment that the club is responsible for, not the individual Pathfinders. These are items that should be kept in a storage area designated for the Pathfinder club.

Restroom Etiquette

Directors, we would like to enlist your cooperation in speaking with your pathfinders concerning this topic before we head out to this camporee. Our pledge requires us to be upright in all things as we strive to be *a servant of God and a friend to man*.

Please educate your pathfinders on the values of good bathroom etiquette. Let's strive to keep clean the restrooms we will be using. Therefore, as we draw closer to the camporee, a daily schedule will be given to the area coordinators. This schedule is forthcoming and will outline each area's duties concerning the upkeep of the facilities within our area.

Drum, Drill, and Color Guard Teams

The pathfinder drum corps, drill teams, and color guards play significant roles at camporee. Northeastern Conference has a strong performance history at the camporee by participating in the City Parade, and the parade on the camp grounds. It is our goal to continue this tradition of excellence. As such, **all drum corps, drill teams, and color guards in Northeastern Conference are strongly urged to be present at this camporee, ready and with their full dressed NEC Class 'A' special team uniforms.**

Drum Corps Equipment

Drum corps are expected to bring their protective gear for their equipment. Each drum should be transported via a drum case with good padding. The cymbals should also be carried in a protective case, to prevent extensive damage to the handles or the surface itself. Below is a small list of items all drum instructors need to have when transporting equipment:

- Snare, tenor, multi-tom, and bass drum
- Drum Case
- Drum Carrier
- Drum Sticks
- Drum Stick bag
- Extra set of repair kits
- Drum Straps if necessary

Unless the youth department provides rental space for the transportation of equipment, each club is responsible for transporting their drum equipment to the camporee. It is also recommended that drum maintenance items such as extra drum skins, tools, and sticks be purchased and brought along just in case. As such, each drum instructor should have a complete drum repair kit; including a drum key available with them at all times during the camporee.

Color Guard Equipment

Color guards are responsible for the upkeep of the club flags and poles. Protective flag cases should be purchased in a timely fashion to protect the club's investment.

- White gloves with grips
- Flag carriers (must match for each club)
- Color Guard Class 'A' uniform
- Protective cases for each flag
- Tassels and pole tops

Drum & Drill Exhibition

There will be a drum corps and drill team exhibition at the camporee. All teams are encouraged to take part in this highly popular event. The registration forms are available on the website, as well as in this package. The rules and requirements for each are on the camporee website <https://www.camporee.org/experience/daytime/drill-drum/>.

These forms must be filled out and sent in to the address listed on time in order to be considered for the event. Due to the number of teams that register, a significant amount of time is placed in planning for everyone to participate. Therefore, as a precaution, please make every effort to plan accordingly.

As a side note, the drum and drill exhibition were ranked the highest in popularity compared to any other activity offered during the camporee. This is a great accomplishment for the drum and drill ministries. Let us make every effort to get our young people there and ready to participate.

Club Flags & Banners

The following flags are to be present from each club attending the camporee:

- American Flag with Gold Eagle on top (required)
- Pathfinder Flag with Club Name (required)
- Christian Flag with top (optional)
- State Flag (optional)
- City Flag (optional)
- AY Flag (optional)

Each club planning to attend the camporee should do so with their flags in pristine condition. They should be cleaned and ready for display. This includes the following:

- Flag pole tops for each flag present
- Standard 8 ft oak wood flag poles
- Clean flag pole holders
- Outdoor flag stands (one per flag)
- Flag bags

Each club should also strive to have a club banner and the items necessary to display it at the entrance of their campsite. Each club in attendance should be clearly identifiable. The banner should also have enough handle on both sides so that it can be used during the parades throughout the camp grounds.

Daily Camporee Activity Planning

Daily Activity Schedule

The amounts of onsite and offsite activities that will be available at the camporee are numerous. The daytime and evening activities of the camporee also play a major role in the overall camp experience. Once the campsite has been setup, pathfinders will begin looking to entertain themselves accordingly.

Due to the complexity and distance of the activities across the campgrounds, suitable planning for your pathfinders is essential. The opportunity to enjoy the camporee to its zenith is obtainable and can only be achieved if ample time is devoted to planning your activities well on a daily basis.

The official schedule of activities can be found on the International Camporee website. Visit <https://www.camporee.org/information/the-scoop/schedules/>. **Gillette Activities** include Special Events, Talent Stage, Drill and Drum, Evening Program, Off-site Activities, Daily On-Site Activities, Prayer, Baptism and more. Visit <https://www.camporee.org/experience/> and navigate the menu of Daytime, Main Stage and Get Involved.

Club leaders should spend the necessary time to plan well in support of the activities and events that will be offered at camp. Approaching the schedule of activities in this fashion will provide an organized method where everyone would be able to experience the entire camp to its fullest.

Daily Uniform

As we approach the time for the camporee, the uniform schedule will be determined from a conference wide perspective. All pathfinders and staff are expected to adhere to the uniform protocols each day for the duration of the camporee. At no time should any pathfinder or staff be out of uniform.

Below is a list of some of the type of shirts that will be permitted for this camporee:

- Club Shirt
- Area Shirt
- Conference Shirt
- Conference Oshkosh Camporee Shirt
- Union
- Past Camporee Shirt

Shirts that do not reflect a pathfinder theme or design should not be worn at any time. Each pathfinder and staff should be identifiable by the shirt they are wearing for the day. Please stay tuned for further information on the uniform schedule.

Daily Uniform Schedule

As a conference with a history of uniformity, we must be fully aware of the fact that we are camping as Northeastern Conference. As such, we must exemplify the Northeastern Conference pathfinder spirit of unity and comradery.

Below is a detailed list of the official uniform schedule for the duration of the camporee. All club directors and staff are asked to make sure all pathfinders are in their required uniform at all times.

Daily Uniform	Daytime	Evening
Monday, August 5, 2024	Past Camporee Shirt	Past Camporee Shirt
Tuesday, August 6, 2024	Club T-Shirt	Conf. Red Shirt w/Black Bottoms
Wednesday, August 7, 2024	Past Camporee Shirt	Area T-Shirt
Thursday, August 8, 2024	Club T-Shirt	Union Gillette T-Shirt
Friday, August 9, 2024	Area T-Shirt	Conf. Red Shirt w/Black Bottoms
Saturday, August 10, 2024	Class 'A' Uniform	NEC Gillette w/Black Bottoms
Sunday, August 11, 2024	Past Camporee Shirt	Praise the Lord, On our way Home

Conference Marching Schedule

On the following days:

Wednesday, August 7th, 2024 – Flag Lowering

Thursday, August 8th, 2024 – Afternoon Parade

Friday, August 9th, 2024 – Evening Baptisms

All clubs and staff will assemble at the Northeastern Conference headquarters to march as a conference to the main assembly area for the evening program. All flag colors, color guards, and drum corps are to participate in this parade. We want to make this a momentous event for all of us to remember.

***Items in red font to be confirmed**

Honor Activities & Volunteers

A vast number of honors will be available to complete for our pathfinders and staff. We are also encouraging volunteers who will represent the conference to sponsor an honor for the camporee. We would like to have a strong representation in this area that will showcase our many talents.

Schedule of Activities & Honors

Tuesday: 12:00 PM (Noon) – 5:00 PM

Wednesday – Friday: 9:00 AM – 5:00 PM

Saturday: 1:00 PM – 5:00 PM (Sabbath appropriate)

Need help? Contact [Eddie Heinrich \(daytime@camporee.org\)](mailto:daytime@camporee.org) Daytime Activities Director.

Food & Shopping Information

One of the more critical elements of any camping trip is planning for meal preparation. Unlike most of our camping trips, this camporee requires extensive planning, due to the duration of time we will be in Gillette, as well as the limited resources and the number of people that will be present.

The graph below assumes a club has arrived Monday, August 5, 2024, around noon and started lunch, and then leaving around the same time on Sunday, August 11, 2024. For this camp, the club will need to arrange an estimated **19 meals** for this camp.

Days at Camp	Number of Meals Prepared
Monday	2
Tuesday	3
Wednesday	3
Thursday	3
Friday	3
Sabbath	3
Leaving Sunday	2

The grocery list should develop from the menu that will be created by participating staff and members of the club. Unless there is a contribution of canned goods or dry food, **be prepared to spend funds on food.** Your items should be purchased in bulk, preferably with no glass containers if possible, for extended transportation and containment reasons.

Unless the club director is very proficient in this area, it is highly recommended that this task be delegated to more experienced individuals; preferably your camp specialist. This individual may be among staff members, or a number of members from the PPA.

It is always good practice to display a well formatted diagram of your clubs' menu. This approach tends to add a touch of professionalism to the kitchen tent in any club, an idea used by hundreds of Master Guide leaders for many years.

Ice was made available for purchase on the campgrounds at selected locations. As such, please be prepared to make your purchases. Because the ice is heavy, please bring your 'red wagons' to transport your water and ice back to your campsite.

Ice Sales

Located at the on-site store. See Camporee Map for locations.

Hours of operation:

Monday 10:00am – 6:00pm

Tuesday-Friday 9:00am – 6:00pm
Saturday evening 10:00pm – 12:30am
Ice pricing:
20lb bag Crushed ice – \$5.00 each – CASH ONLY
11lb Block Ice – \$6.00 each – CASH ONLY

Camporee Supply Shopping

Although there will just over 50,000 people attending the camporee, we must keep in mind that resources can become an issue as it pertains to the day-to-day needs of each club. Therefore, please make note of various area stores in the Gillette area that you may need to get to.

On-Site Store

An on-site building that stocks single items such as ice, vegetarian meats, juice, soda, water, cookies, snacks and nuts. You can also pick up your bulk pre-ordered food items (courtesy Kellogg Company).

Location: TBA

Store Hours:

Transportation Information

The International Pathfinder Camporee is located at the CAM-PLEX Facilities in Gillette, WY. The address is 1635 Reata Dr, Gillette, WY 82718. It is approximately 138 miles west of Rapid City, SD, and 342 miles north of Denver, CO.

The total cost associated with transportation to this camporee can be expensive. Considerable planning must be done concerning all transportation arrangements. Due to shared territory between Northeastern Conference and Greater New York Conference, travel arrangements should be established at least a year in advance. Selecting the mode of transportation depends on certain criteria that should be reviewed before any decision is made. The list below outlines four factors to consider:

- What is affordable (church van, chartered bus, plane, etc)
- Campground location
- Number of pathfinders attending
- Amount of equipment
- Distance to travel
- Duration of the camp

Travel by Coach Bus

When making traveling arrangements with chartered bus companies, be aware of possible hidden cost. Depending on the distance of travel, some companies do not allow their drivers to travel through the night. Since it will take our conference by bus about 27 to 30 hours of travel, this is something that needs to be considered. Companies that allow their drivers to do so may require an additional driver. If this is the case, then do be mindful of the lodging cost for each of the drivers, which may not be included in the quoted price.

Two separate rooms may need to be arranged for your drivers. One driver may be male, while the other is female. One driver may be a smoker, while the other is a non-smoker. These are the type of questions that need to be asked before signing any contract with a bus company. Since cost is a major factor with a variety of clubs, there is another option that may save some money. When in discussion with a bus company, ask if they are willing to send one driver, and then have another waiting to take over in another city who will then bring you into Gillette. This will save you having to pay for an extra room for a second driver.

Travel by Plane

Although your group may choose to travel by plane rather than taking a coach bus, there are some issues that must be considered. If you choose to take your bags and tents with you, your total cost per bag checked in should be taken into consideration. Unless you have made prior arrangements to have your equipment taken to the campground, we suggest you research this option and its cost beforehand.

As the leader of your club, you are responsible for your transportation to the campground from any airport. Neither the youth department nor the camporee organization will provide this service. As such, please make the necessary arrangements beforehand.

Combination Travel

The most popular arrangement for getting to Gillette is a combination of air and ground. Many will fly into a nearby city and charter a bus to Gillette. Flying into Rapid City, South Dakota is not recommended because there will be a Biking event happening at that time. Some are flying into Salt Lake City and going to see Yellowstone then come into Gillette. Most people are flying into Denver, chartering a coach bus and driving 5 hours to Gillette.

Conference Renting a Trailer

The youth department is considering the rental of a trailer for use by clubs who are willing to rent space. Please note that your equipment must be packed and dropped off at the predetermined trailer location beforehand. If there is enough interest to warrant the rental of a truck, a decision will be made to pursue this alternative. Information will be forthcoming concerning this option.

Travel Insurance and Training

It is required that every person attending the Camporee have travel insurance, whether that be through Adventist Risk Management or another personal insurance policy.

The Camporee insurance for US based clubs purchased through Adventist Risk Management will pay medical expenses for injuries sustained due to an accident. However, it is not designed to take the place of healthcare coverage and does **not** provide coverage for sickness/illness. You should still bring your own healthcare card for sickness/illness. In short, it is recommended US based participants carry:

Camporee Insurance – for accidents

Your healthcare card – for sickness/illness

As you plan for the 2024 Believe The Promise International Pathfinder Camporee, it is important to budget for the cost of travel/event insurance. Please plan to purchase this insurance for all individuals attending the camporee.

The insurance described below is for clubs based in the United States only. This insurance will pay medical expenses for injuries sustained due to an accident. It is not designed to take the place of healthcare coverage and **does not** provide coverage for sickness or illness. This is secondary coverage and includes the actual days of the camporee, August 5, 2024 through August 11, 2024, with an additional 7 days for direct travel to and from the camporee.

This insurance includes benefits for:

Accidental Death and Dismemberment \$50,000

Accident Medical Expenses \$50,000

Emergency Medical Evacuation \$5,000

There is a \$50 deductible which is the amount you would be responsible for before the company would start paying for any claims.

As of January 23, 2023, the insurance policy for International Camporee from Adventist Risk Management is still under development. It is advised to budget \$10 per individual with an additional \$20 application fee. A single application can have multiple individuals on it. Please plan accordingly by purchasing your coverage on one application as a group. Check back for when coverage set up is completed by Adventist Risk Management. Copy the link below in your browser to begin the process of purchasing your travel insurance. You must create an account for your club if one does not already exist. This account is separate from the registration used for purchasing camporee tickets.

Campsite Layout

CAM-PLEX Facilities

The camporee will be held at CAM-PLEX Facilities in Gillette, WY. The weather is very windy so be sure to secure your tents and canopies properly. Our pathfinders need to know that a campsite should be viewed as a temporary home. For this reason, every member of the club should understand the basic concepts of laying out a pre-campsite before arriving at the actual campsite. Although detailed information may not be readily available concerning the actual layout of the campsite, all staff should have an understanding as to where each tent will be located with reference to the campsite entrance. Following this format should reduce the amount of time it will take to construct the campsite. In addition, it should also foster healthier cooperation among all attendees since everyone should have been given an assignment prior to the camp.

It is important to note that tent formations are driven by the layout of the physical campsite. As such, time should be taken to design the layout; taking into consideration all aspects from the site entrance, to the location of the first aid tent, storage tents, as well as the family tents. Keep in mind that the contact information and directions to all medical facilities from your campsite location should be well documented and distributed to all staff members.

Types of Tents

Ample time should be taken to research the types of tents that are being considered for use. The quality of a tent translates into longevity and sustainability. A cheap tent will yield costly results in the long run and at the most unexpected time. Strong, sturdy, quality tents are highly recommended. Basic camping rules will apply concerning the layout of your camp site. The following designated tents will be required on site for every club attending this camporee.

- First Aid Tent
- Storage Tent
- Kitchen Tent
- Family Tents

The safety of our pathfinders is our responsibility. If you plan to take pathfinders 2000 miles away from their homes for a week, please be mindful in your preparations to accommodate the needs of your club in process.

First-Aid Information

First-aid preparation is one of the most fundamental responsibilities for the club. Due to its level of importance, it is highly recommended that all official staff members possess formal training in first-aid, before the camporee. Although taking part in the overall camp experience is enjoyable, we must be prepared for any type of minor incident or emergency at a moment's notice.

With regard to the safety of our young people, there are three areas of first-aid preparation that must be considered.

- First-Aid Kit
- Medical Personnel
- First-Aid Tent

First-Aid Kit

A key consideration in camping preparation includes planning for your first-aid kit. An off the shelf first-aid kit may not be enough when planning to carry a considerable number of children away to the outdoors. As a result, building a first-aid kit from scratch has become a popular option. This process usually begins with a waterproof container that is large enough to hold all of the supplies.

No matter which option is considered, any first-aid kit should contain the basic necessities. We must also consider the number of individuals that will attend the camp in proportion to the size of the kit container and the amount of supplies that will be stocked. This approach will offer guidance into constructing a well stocked and updated first-aid kit.

Whether you plan on camping or to simply enjoy the outdoors, it is important to maintain an updated and well-stocked first-aid kit. First-aid kits that are not actively maintained often contain expired supplies. This can certainly be the case for a club that has a first-aid kit that is used only when it is time to camp. Exposure to expired medications such as antibiotics or ibuprofen can pose a serious threat to campers. Supplies that have been opened or used should be discarded or replaced. In addition, supplies with a limited shelf life should be monitored and replaced when necessary.

Medical Personnel

Quite a number of clubs are privileged to have access to medical personnel such as doctors, nurses, or paramedics that regularly attend camps with their youth. These individuals are either regular members of the club, or volunteers from the church that often serve as staff members. Their presence alone serves as an asset to the club and its associated medical responsibilities.

Even if a club is not as fortunate to have professional medical personnel on staff, every Master Guide is trained to administer immediate care to a sick or injured camp attendee in anticipation of professional help arriving. Therefore, it is imperative that a Master Guide maintain their first aid skills, especially when planning to attend functions that may require the use these skills.

First-Aid Tent

A first-aid tent is a designated tent for medical purposes only and should remain free of occupants; unless there is a medical emergency that requires extended use. A staff member should always be present when this tent is occupied.

The tent should be tall enough for the average individual to stand, yet large enough to comfortably accommodate an open cot, a folding chair in the open position, clean blankets, and a properly sized first-aid kit. The tent should be clearly labeled as a first-aid tent, positioned in the rear corners of a campsite and away from the busy traffic that transpires throughout.

Recommended Training

In addition to first-aid training as mentioned earlier, directors and staff should seek to sharpen their camping and risk management skills. Therefore, club staff members need to seriously consider reviewing the following skills before camping in Gillette:

- Camping Skills
- Risk Management
- Proper Packing of Clothes
- Proper Kitchen Tent Etiquette
- Food Storage
- Outdoor Safety
- CPR

By sharpening our skills in these areas, we as a conference will be better prepared to serve our clubs, giving us all that much more confidence to handle the unexpected.

Conference Assignments

Although this guide outlines some of the primary responsibilities of the club's director and their staff, the conference also has its responsibilities as well. Listed below are some of these responsibilities that will be developed, organized, and then managed by the Northeastern Conference Youth Ministries Department.

- **NEC Headquarters**

- **Staffing for Headquarters**

This will include setup of the communication hub, supplies, medical emergency station, risk management, and will also serve as the principal location for our 24-hour security personnel.

- **Design and Construction of the Conference Entrance**

We plan to have a well-designed entrance for the camporee, one that would reflect our conference in a positive way and will coincide with the main theme of the camporee. A number of design components will be a part of our entrance.

- **Conference Trading Pin**

We are currently working on a trading pin for our conference. The details of the design have not been finalized, but it promises to be a pin worth waiting for. Please encourage your pathfinders to bring their trading pins to be a part of this fun activity.

- **Preparation Teams**

A number of teams will be put in place and given selected responsibilities. These include security personnel, campsite layout for each club, campsite inspectors, cleaning crews for the bathrooms, and camp setup and breakdown.

- **Hospitality Coordinators**

We expect various officials to visit our campsite. As such, we plan to have hospitality coordinators on site and ready for service.

- **Drill & Drum Coordinators**

The drill and drum coordinators will be responsible for morning and evening assembly.

Camporee Forms

Medical Forms

Medical forms must be completed for each pathfinder and staff attending the camporee and returned to the clubs Director. These forms should be completed and submitted before leaving for the camporee. In some situations, pathfinders with special needs must be taken into consideration, especially when taking them this far away from home. Parents must be strongly encouraged to fill out the medical form, including all details to the best of their ability.

These forms should then be reviewed by staff to make sure they are aware of the issues when pathfinders are in their care. Everything from allergic reactions to medications must be reported, not only for the safety of the pathfinder, but for the protection of all club members.

Permission Forms

Permission forms for all Pathfinders should be created, signed by the parent or guardian, and then submitted for each outing in which the club participates prior to traveling with the club.

It is good practice to have multiple updated copies of these forms on hand, especially when traveling with Pathfinders outside of the church grounds. As an example, if a club is planning an outing, it is strongly advised that the club's Director (or designated individual) travel with his/her copies on hand.

FAQs

Questions About Tickets

How many tickets are for sale?

50,000 tickets – North America/Bermuda (Ages 9+)

3,200 tickets – International Guest (Ages 9+)

Will the International Camporee require COVID-19 vaccinations for attendees?

The International Camporee will follow guidelines set by local, state and the US government regarding large gatherings.

Are parents expected to set up registration accounts?

Only pathfinder directors are authorized to purchase tickets for the club. Parents need to talk to their club director and the club director will purchase the ticket on their registration account once the parent has paid.

What do I do if I forgot my username and password?

First click the “Forgot Password” button to be sent a new password login. If you still have issues, call (269-471-8380) or email CYE, and we can provide you with your username.

Why can't I register?

There may be another individual registered under the same church name as director. Please contact us at info@cye.org.

Do I get a discount if I register early? And if so, how much?

There is no early bird discount. The price of a general admission ticket is \$225.

Can I send in a church check, or can I only pay by credit card?

Yes a church check will be accepted as payment for a Camporee ticket purchase, however, **NO** personal checks will be accepted.

If you choose to send in a church check, please include a list of how many tickets are being purchased, the club name, email address and username connected to the account, then mail along with the check to:

Center for Youth Evangelism
PO Box 1
Berrien Springs, MI 49103

How can I see my order confirmation?

Login to your Camporee account to see your order confirmation.

When will I receive my tickets?

Log in to your account and print your ticket at any time.

What is the cost for 2024?

- A. \$225.00 (ages 9+ on August 5, 2024)
- B. \$125 (ages 4-8 on August 5, 2024, accompanied by a parent who is staff in some capacity, including leadership roles)
- C. Free (ages 0-3 Staff Children on August 5, 2024, accompanied by a parent who is staff in some capacity, including leadership roles)
- D. \$65.00 Day Pass (ages 4+)

What happens if the Camporee is cancelled because of COVID-19?

In the unlikely case of a global pandemic, the Camporee will be postponed, and tickets will be valid for the next Camporee but not refunded.

I can no longer use my ticket. Can I get a refund?

Unfortunately, all Camporee tickets are non-refundable. However, Pathfinders and staff can transfer their tickets by selling them to another person. See our resale guidelines [here](#).

Can I buy an international ticket if I am in the North American Division? (or vice versa)

No, you cannot.

Can I use my Day Pass for more than one day?

To enter onto the Camporee grounds, you must purchase a separate Day Pass for each day you wish to attend.

Can I stay overnight with a Day Pass?

Pathfinders and other guests who have purchased Day Passes must find accommodations outside of the Camporee campsite. Please view our off-site lodging page for nearby options. <https://www.camporee.org/information/pre-planning/offsite-lodging-options/>

Off-Site Lodging/Hotels

There are several other options for you to find lodging if hotels are full. View Off-site Lodging Options: <https://www.camporee.org/information/pre-planning/offsite-lodging-options/>

When should I book my hotel room(s)?

Each hotel has a different policy for early room bookings so you'll need to call and ask the hotel. All hotel rooms usually sell out within a 25 mile radius around the International Camporee, about 1 year before the event. Book early.

Shipping Directly to the Camporee

You can ship packages, pallets, and supplies to the Camporee **July 28-August 9**. If you ship any packages, pallets, or supplies **before July 28**, they will be denied and the

Camporee will not be responsible. The address label needs to be readable and must list all information who the package is to be received by.

Address your shipment as follows:

Vendor/Exhibitor Name or Union, Conference, Church, and Club Name

Your name and cell phone number

1635 Reata Drive
Gillette, WY 82718

Can I bring my RV?

RV hookups are not guaranteed. If you plan to bring an RV, you have these 4 options:

- Talk to your Conference youth director about parking in your conference camping area
- Become a full-time volunteer (8 hours a day) and park your RV in the volunteer village
- Overflow RV parking is first come first served
- Camp in your RV at a local off-site campground

What if there is no room for my RV in the conference camping area?

No Problem – There is an overflow RV camping area at Camporee. It is a first come first serve basis, with no services such as water, electricity, & sewer. Space is limited.
